About this boat

Dolphin Watching Departing times: 09:30 || 12:00 || 14:30 || Check in 30 min prior Price: 30€ Kids || 40€ Adults Duration: 02:00 H It is a very special experience to closely observe marine mammals in their natural environment guided by our marine biologists. In the waters around Sagres you can find a big variety of species. Particularly often we sight the Common and Bottlenose Dolphins, but several times other species. The tours are briefed in English, German, Portuguese, Spanish and French. We set sea on a wildlife boat trip to encounter wild animals so our ratings are average over 95% which is really good. Important: Please don't forget to bring sunscreen, camera and comfortable, weather appropriate clothing....
