About this boat

The Compass Rose is a Model 37 and almost 39 feet in length. She is an unusually wide beam boat for stability and more fishing room than other boats her size. She is powered with Giant twin V8 Yamaha 350 hp four stroke motors, giving her 700hp to run and get the job done. Not only is she fast but she rides like a dream. I have owned yellowfins, invincibles and many other center consoles and this boat blows them out of the water. The dry, smooth ride is just amazing. If you haven't heard of SeaHunter you will soon. The 10 foot plus beam on this boat adds a tremendous amount of room to the overall size of the boat and just makes fishing on this stable platform a blast. She can go in comfort when others simply sit...
