About this boat

The L30 boat concept was developed by One Design racing, being a outstanding boat which combines good all round offshore performance, easy logistic, strict one design. The boat has been tested since November 2015. It was developed perfectly in all details. The speed record of 24.7 knots was achieved in rough sea conditions in 34 knots TWS. The boat performs exceptionally in light wind as well showing 2.8 knots boat speed in 1.9 knots TWS. The boat is equipped with Trim Tab that add more performance sailing upwind and facilitate downwind sailing in strong breeze. Two lifting rudders gives safety in survival conditions and decline the foils resistance in light wind. **** For individuals interested in renting out...
