About this boat

Semi-custom Performance cruiser for long fast cruises with a small crew, also suitable for offshore racing. The boat designed by Felci's pencil, with innovative and elegant lines, always maintained by an experienced and serious crew. Hull built in Kevlar-glass-carbon composite, the boat is fun at the helm even with little wind, while with stronger wind the hull is not very wet and pleasant on the wave. Carbon mast. Mainsail furler in the NEW 2020 boom. Layout with 4 cabins plus crew quarters in the bow. Owner is keen to sell! Valerio Biondi at De Valk Antibes is your go-to contact for any questions. Feel free to give us a call. We provide only a selection of key information on this platform. For complete details,...
