About this boat

We specialize in customized inshore and offshore fishing charters; and include fossil hunting and harbor cruises. Join the All In One crew for an action-packed day of saltwater fishing, exploring Charleston's endless inshore waterways in search of top species like Red drum, Trout, Flounder, Black Drum, and Sheepshead, as well as the chance of some exciting battles against big Bull Reds, or Hammerhead Sharks for some added adrenaline. Making your way through the bays and shallows surrounding Charleston, you will be able to take in the city's historic waterfront in all its glory, and the crew can take you past all the top sights on your guided fishing trip to show off their beautiful city. On longer fishing charters...
