About this boat

This yacht is both a fashion statement and designed for superior hydrodynamic efficiency, stability, and comfortable navigation. It is equipped with twin Volvo Penta diesel (600-hp each) featuring joystick control. The Fjord 52 is a 16-meter-long yacht with sufficient capacity for 12 passengers during the day. Its design guarantees a functional and very spacious yacht in which every detail has been taken care of. This exceptional boat features a large sunbathing area at the front, the steering position in the centre of the cockpit, and several ambiances at the rear. It has a dining area that can seat up to 10 people, which can be transformed into a large mat for relaxing in the sun. The stern rises to make way...
