About this boat

The Flipper 670 ST is a versatile boat with sleeping accommodations, a water toilet, a heater and much more for a wonderful comfort on board. The equipment list is long and this boat has undergone several major upgrades in recent years. Among other things, the hull has been epoxy painted, which makes the boat approved for use in all waters. The engine is the powerful Verado version from Mercury and is rare to see on the Flipper 670 ST. It has electronic controls, hydraulic steering and plenty of performance, which makes the boat easy to maneuver and fun to drive. The engine has only been driven a total of 214 hours and has been serviced regularly. The engine has just recieved a 300 hour service which is the big...
