About this boat

"Mai Tai" is a Kelsall catamaran built by Format Systems in Germany based on Derek Kelsall's KSS designs for flat panel construction in polyester PVC foam sandwich. Kelsall's multihulls are known for their good performances and seaworthiness. "Mai Tai" has an open bridgedeckcabin/wheelhouse over the cockpit, ideal for sunny regions, with 6 beds in 4 cabins in the hulls. The present owner bought the yacht in 2021 and has since then renewed a lot of equipment while exploring the Med. All interior and exterior surfaces were professionally refurnished. Some new items are still unwrapped in their original packing and need to be installed. Health reasons in the family force him now to offer his catamaran for sale again...
