About this boat

Carolina Skiff — the perfect blend of fishing function and cruising fun. This boat is built for versatility: whether you're chasing redfish in shallow flats, taking the family out for a smooth sunset cruise, or just vibing with the sound system and some cold drinks, she does it all. She's got a shallow draft, so you can get where other boats can't — no problem skimming over skinny water. The ride is smooth and steady, even when things get choppy, and with a clean stereo system, your playlist hits just right as you glide across the water. Whether you're in the mood to fish, cruise, or chill, this Carolina Skiff is ready.
