About this boat

Spend the day enjoying the many isles and harbors of the U.S. on your own private powerboat. MV Island Flyer provides the smooth, flat, stable ride of a sailing catamaran, with the speed of a powerboat, allowing for a very comfortable ride to all the great places to see. At 40' long and 16' wide with a maximum of 12 passengers, there's plenty of room for everyone. All seating is open-air, so you can bask in the sun or find shade under the extra-large canopy, custom-made for touring the Virgin Islands. The sun in the Virgin Islands is STRONG. We have seating for 12 in the shade so guests are less likely to get a sunburn! The bow offers relaxing seating for group conversations, breezy tanning, or turtle and dolphin...
