About this boat

The Trimarchi 57S boat (total length 5.70 metres), which we named "Giulia", is ideal for small groups who want to sail in complete safety. The maximum capacity is 7 people, regardless of age, but we recommend not exceeding 5 people so as not to feel too cramped. Equipped with a large sundeck at the bow, a comfortable driver's lumbar support and a sofa at the stern, it is a large, comfortable and easy to drive boat. This boat has been equipped with a very reliable 40 hp Suzuki DF40 Ari 4-stroke engine, which can therefore be driven without a boat license, with very low fuel consumption (when planning at low speeds around 8 liters per hour), and with excellent performance with peaks maximums of around 23 knots.
