About this boat

Rather than a gulet, TIRANDILA is a Bodrum-built tirhandil, having a single mast and canoe stern with stern hung rudder. Uniquely, TIRANDILA appears to be the largest tirhandil ever built and benefits from lots of internal volume including four double cabins each with en suite. Used as a skippered charter around Ibiza for several years the owner would also sell the charter company if required. Photos supplied by owner. Robert Corden at De Valk Ibiza is your go-to contact for any questions. Feel free to give us a call. We provide only a selection of key information on this platform. For complete details, please visit our website, where you'll find: - full yacht specifications, with over 173 details - 13 more pic...
