About this boat

Entre Cielos is a stunning 32-meter classic gulet that beautifully captures the soul of traditional Eastern Mediterranean sailing. Designed and built in 2004 by renowned Turkish master craftsman Hasan Ali Bayar at the prestigious SU Marine shipyard, she stands as a timeless symbol of artisanal boatbuilding — combining authentic craftsmanship, rich wooden elegance, and modern luxury. Constructed entirely from premium wood and rigged with twin masts, Entre Cielos blends the charm of a traditional gulet with the comfort and performance expected of a modern luxury yacht. Originally delivered with six cabins, she underwent significant refits in 2013 and 2018, optimizing her layout for spaciousness and guest comfort....
