About this boat

We start about five miles off the coast where the reef ends and the Gulf Stream begins. Using a mix of ballyhoo and artificial lures trolled between 4–8 knots, we target a variety of species with outriggers and downriggers keeping lines spaced. We also use live bait, kite fishing, and drifting techniques. Expect to catch species like sailfish, mahi-mahi (dolphin/dorado), wahoo, king mackerel, tuna, barracuda, and sharks.
