## About this boat

High-Tech Canting Keeler by Bootswerft Heinrich AG Demonstration yacht – lightly sailed and exceptionally well maintained. Original new price: CHF 234,000 (built in 2011). An excellent opportunity for an ambitious

and active racing crew looking for a high-performance sailing yacht with cutting-edge technology and outstanding sailing characteristics. This yacht features a mechanical lifting keel (draft adjustable from 1.70 m to 2.60 m) combined with an electro-hydraulic canting keel ( $\pm 50$  degrees) carrying a 500 kg ballast bulb. The entire yacht has been built in full carbon composite construction, vacuum-infused and oven-cured at high temperature for maximum strength and minimum weight. Additional highlights inc...
