About this boat

Historical vessel of Lake Garda, dated back 1926, it was part of a fleet with about 100 boats used for transportation of goods all around the lake. It's one of the only 2 boats survived nowadays, completely removed in 2003 by the first owner. Today the boat is an iconic symbol of Lake Garda, full of history, and that's a perfect setting for organizing private parties, weddings, business events, trips with friends around the lake and much more!
