About this boat

Our Hurricane 2690 offers much space as it is one of the most spacious deck boat with 27 feet. The unique hull design makes cruising pleasant even in rough waters and cuts easily through the waves. There is hardly any other boat that rides as smoothly as this Hurricane 2690. The 300 HP Yamaha outboard engine provides the power to easily accelerate the boat and ride along. The boating experience is completed by the high end equipment of this boat including stereo system, bimini top, sink and a huge bathing platform at the stern. The whole interior is covered with an elegant flooring. The 300 HP Yamaha outboard engine is an ideal compromise between performance and fuel economy. – GPS navigation with touchscreen –...
