About this boat

GRP Hull & Superstructure with grey artificial teak on the bathing platform and in the cockpit. The gray artificial teak was completely renewed in 2021. In 2021 a big engine service including a big Z drive service was carried out by an Austrian yacht excellence. Both Z drives were overhauled, sandblasted and then repainted. The two turbo manifolds were also renewed during the big service. Furthermore, the transom plate with all bushings and hoses was overhauled and then sandblasted and repainted. The cockpit cover was also renewed in 2021. Why Not is a unique example of the Innovazioni e Progetti Mira 34 series and is probably one of the best equipped and most customized 34 on the market. Why Not was launched i...
