About this boat

ISA Sportivo 140 has large external spaces and a fairly restrained superstructure. A highly innovative element is the military windshield designed to push the superstructure further, generating a long bonnet like a large sports coupé car. Definitely a boat with a sporty look and futuristic details that combines a clean design with sophisticated modern furnishings with a Mediterranean flair. Hull and superstructure will be in GRP and carbon fiber. Two 3440 kW MTUs will push the boat to a maximum speed of 32 knots and guarantee a cruising speed of 26 knots. Yacht inspection and sea trial are subject to MYBA terms and conditions. For detailed and up-to-date information on this vessel, please contact the manager. Nor...
