About this boat

Take control of a jet-powered car on the water and enjoy a ride that feels both familiar and different at the same time. This is a self-captain setup, so you'll be the one driving, setting your own pace while staying within the designated area. The experience is straightforward and easy to get into, whether you're trying it for the first time or just looking for something simple to share with a small group. With space for up to four people, it's a relaxed way to spend time on the water without the structure of a guided trip. Onboard Experience: - Jet car-style watercraft - Seating for up to 4 guests - Driver-controlled operation - Low, close-to-water ride - Open and compact layout Included: - Self-captain use o...
