About this boat

Kayaking on the river Mrežnica. Mrežnica is one of the most beautiful rivers in the Croatian karst, hidden in a cave near Slunj. It is 63 kilometres long and its basin covers an area of 64 square kilometres. Mrežnica is considered special due to its large number of waterfalls, totalling 93, of which 26 are located in its upper course, in moving our adventure with kayaks. Clear, cold and clean water and unspoiled nature and fairytale scenes of powerful waterfalls will delight any traveler. This tour will satisfy the appetites of tireless adventurer since its consists of kajkarenja and canyoning, but also provide a break on some of its numerous river lakes where it is possible to swim. The adventure to upper flow...
