About this boat

King triton is the ruler of the water powered with a Yamaha 225hp outboard motor. The boat has a crazy loud sound system with a 9inch ray marine touch screen navigation system. The boat is great for fishing or just a day for cruising on the water to crab island. If you have any questions, please feel free to send a message. There will be a captain provided but because of the rules from the coast guard the captain is paid separately from booking. If the weather is to bad you have the option to reschedule or receive a full refund. ONCE THE BOAT LEAVES THE DOCK THERE ARE NO REFUNDS!
