About this boat

Replacing a catamaran that has come to be seen as a benchmark is no easy task. But the VPLP architects, in partnership with Lagoon and the celebrated Nauta Design studio, have been brilliantly successful in creating the 450. - in terms of accommodation - deck areas - facilities - performance. EXTERIOR A steering station on the fly bridge with safe access from both sides for perfect visibility and a large sunbathing area. A spacious cockpit, again ideal for sunbathing, on the same level as the galley, with a ventilation panel. A second cockpit, making best use of the forward area. Particularly safe and effective transom platforms for coming aboard or accessing the tender. This boat is equipped with watermaker.
