About this boat

Fully Equipped Income Vessel If you are searching YachtWorld for a charter-approved power catamaran, Leopard 37 PC, or fully equipped USVI/BVI charter boat, this vessel checks every box. Extensively upgraded since 2021, this 2009 Leopard 37 Powercat has been prepared and equipped for charter service. She has successfully completed USCG inspection for 10 passengers, making her immediately eligible for charter operations — a rare and valuable distinction in today's market.
