About this boat

Lürssen Project Deep Blue — a new mega yacht from Lürssen (delivered in 2025). Project Deep Blue is a 134.2-meter (440ft) custom-built motor yacht with a steel hull and aluminum superstructure. The yacht features a four-deck configuration and an immense beam of 19.8 meters (65ft). It has an estimated interior volume of 9,000 GT and was launched by Lürssen in 2025. The vessel is designed to accommodate 24 guests with a crew of 45. Project Deep Blue is one of the largest yacht deliveries from Lürssen in 2025. The yacht was delivered to its owners in January 2026 after being built in Germany.
