About this boat

The 380 is an innovation masterpiece. Designed and built with precision, this is where technology, performance and luxurious styling perfectly blend. While it's loaded with standard features (like the standard SeaKeeper Gyro Stabilizer), the award-winning available options will floor you. Options like the patented electronically-actuated articulating rocket launchers and the patent-pending electronically-actuated convertible hideaway summer kitchen / mezzanine seat are first of their kind in a coastal fishing boat, further distancing this model from anything else in its class. The hydraulic port side beach platform with synthetic teak further adds to the model's characteristics, making it not just an incredible...
