About this boat

LystHusBåden – Innovative, Self-Sufficient and Eco-Friendly Houseboat Sold as Seen – Significantly Below New Price This LystHusBåden has been used as a demonstration vessel for three seasons and is now offered for sale at a price substantially below replacement cost. The boat is sold as seen, and the buyer should expect costs related to updating woodwork and replacing or servicing certain equipment. The asking price reflects these conditions. Self-Sufficient Cruising Powered by Solar Energy Under normal conditions, LystHusBåden can cruise continuously using solar power without draining the battery bank. Propulsion is provided by two powerful and very quiet electric motors, offering a comfortable, environmental...
