About this boat

THE new boat you need to have a great time during the season. It may be the most newest boat of our fleet, but we haven't skimped on equipment or ergonomics on board: with two relaxation areas, including a rear bench seat that transforms into a sunbathing lounge, and a full captain's console, we have thought of everything, from waterspouts enthusiast to private beach, you and your family choose what you want to do during the rental. Also available with trailer rental and you can take it to your favorite spot. Trailer daily (to be added with boat, not sold separately)
