About this boat

Start your evening with a peaceful Sunset boat tour from Medulin. We'll take a scenic speedboat ride along the coast of Kamenjak Nature Park, passing between small islands and along the wild cliffs of Cape Kamenjak. As the sun begins to set, we'll cruise around the Porer Lighthouse — one of the most iconic spots in southern Istria. Here, we'll pause to enjoy a tasting of local Istrian wine on board while taking in the colors of the sunset. With a bit of luck, you might even spot dolphins swimming nearby as the sky turns orange and pink. This tour is a relaxing and beautiful way to end your day, surrounded by nature, sea, and the calm of the Istrian coast.
