About this boat

The Mimi Libeccio 13.5 is the new model with unprecedented liveability designed by Valerio Rivellini. Designed for those who wish to combine contemporary comfort with traditional elegance, it is powered by two Yanmar engines of 370 hp each for maximum speed of 30 knots. Perfect boat to enjoy your holidays in Croatia with your family or friends. The deck is made of valuable old teak wood. Libeccio 13.5 is unique in its kind, because it is designed to meet the need of the most experienced boaters to combine elegance and the comfort offered by modern boats.
