About this boat

Mistral has a state-of-the-art design especially thought out for the divers comfort and enjoyment. There is a designated camera room for underwater photography lovers, spacious dive deck, saloon and dining room, and four double bed en-suite cabins, plus eight twin room en-suite cabins. At 34 meters and of steel construction she is perfect for the Red Sea North and South safaris routes; with two 1150 hp caterpillar engines she has a top speed of 13 knots making sure you have a smooth and fast passage even to the more remote reefs. Cabins: Mistral has four spacious double cabins located on the upper deck, and eight twin cabins on the lower deck. Each cabin has an en-suite bathroom, individual controlled A/C, safe...
