About this boat

The MotoCraft BassBoat 460 is a specialized aluminum fishing boat built for spinning anglers who want all the features of a true bass boat in a compact, agile package. Built on the proven Angler 460 hull and configured after the same American bass boat principles as the BassBoat 520, it delivers fast gliding, excellent stability, and a dry cockpit — all within a 4.6-metre platform that is easy to transport and maneuver in tight spots. Thanks to its higher sidewalls and a specially designed side fin, water splashes are effectively deflected away from the cockpit, keeping you dry and comfortable even in choppy conditions. The hull shape and well-balanced structure ensure instant planing, reliable stability while...
