About this boat

Hi, I'm Federica, your skipper. "Choose the job you love and you will never work a day in your life" cit. Confucius. With my boat I wanted to make my dream come true, with which I will convey to you the love I have for the beauty of the Aeolian sea and its islands. Volcanic islands full of powerful energies, contrasting colors such as the black of the rocks, the blue and turquoise of the sea, inhabited by starfish (absolutely only to be looked at and not touched!), dolphins, turtles... I propose a tour of the island of Lipari, white with pumice, golden at sunset, sparkling on summer evenings. Vulcano and its smoking crater where it is possible to climb. Saline, green, full of capers and good wine to buy on site...
