About this boat

The Baglietto 20 yacht called Princess Giusy was built by the historical shipyards of Varazze (Italy) in 1971 and received its last restoration in 2018. The yacht is a classic example of the great Italian shipbuilding tradition that has made school all over the world both for the unparalleled design and construction qualities and for the elegant and sober style that has always characterized the concept of "ITALIAN STYLE". The length of the yacht is 20.90 mt. (70 Ft.) While the width stands at 5.20 mt. and is equipped with two General Motors engines of 650 Hp each. Princess Giusy offers its guests as many as four double cabins with three bathrooms and can therefore sleep eight people in a really comfortable way...
