About this boat

The BA75 is an aluminium boat with a unique design and style from the Bravaboats shipyard. She has an overall length of 8.3m and a beam of 2.5m that can be fully used. The bow has a two-meter-long solarium for sunbathing and relaxing. The control area is in the central part with the necessary equipment to steer your journey. In the aft cockpit there are very comfortable sofas with two removable tables. The distribution of the seats is designed to create an open space between the passengers and not to lose the conversation while navigating. The maximum speed it reaches is 47 knots thanks to its 300 CV engine and the hydrodynamic step of the boat. Gasoline consumption is between 35 to 65 L/h. The Bravaboats shipy...
