About this boat

Experience the beauty of island Hvar with the fastest and safest powerboat around! The boat is 15 meters long and powered by twin engines with a combined power of 1500 hp, making it a trip unlike any other for up to 10 persons. An experienced local captain will take you to visit the the most charming places, where you will be able to swim in crystal clear water, sunbathe on the spacious deck while looking at the stunning scenery and enjoy making the best summer memories with your friends. The trip will be organised in a way that makes it the best and most pleasurable experience possible for you, but we will also be taking your wishes and preferences into account. According to your desire, we can also adjust the...
