About this boat

2h The Golden Grotto.. Discover Ponta da Piedade by private yacht Starts at 18:00-20:00 As we leave the acclaimed Marina de Lagos, the buzz of the town slips away behind you. The journey south unfolds slowly. You'll glide past the golden sands of Praia da Batata and Praia de Dona Ana, but the real spectacle begins as the yacht rounds the headland. From the sea, Ponta da Piedade looks like a fortress of gold rising from the turquoise Atlantic. The cliffs have been sculpted by centuries of winter storms, resulting in jagged formations with whimsical names like "The Elephant," "The Sphinx," and "The Cathedral."
