About this boat

The boat was built in 1909 in a typical Mediterranean style of the beginning of the 20th century and intended for transport of all sorts of bulk cargos. With the development of shipbuilding, the boat became outdated considering the speed and the amount of cargo carried, and was converted into to a passenger ship in mid-century, without a change in its original look, which has been kept until today. The boat is intended for one-day excursions in the local waters of Dubrovnik from Cavtat to Ston, and it can land in all little ports of the coastal area and Elaphiti Islands regarding its size and draught. The boat's capacity is 80 passengers who have all the comfort during the one-day excursions, depending on the s...
