About this boat

The boat is from Cantiere Mimi, a Neapolitan family business that has been creating wooden gozzo boats for years. Their boats stand out from others because they have managed over time to find the right alchemy between the tradition and charm of a wooden boat and the practicality and high performance of a powerboat. In fact, the boat in the upper part is made of wood, while the hull is made of fiberglass. - The boat enjoys 2 sundecks (bow and stern) where you can comfortably lie completely on it - A table for aperitifs or dinners - 2 awnings at the stern and bow - refrigerator - galley - TOILET - Bed for 4 people - TV - 2 showers - fusion stereo Twin 195hp Yanmar engines 30 knots maximum speed GASOLINE INCLUDED...
