About this boat

The Princess V78 is a 24 meter boat, among the most successful of the Princess shipyards, so much so that having been born in 2010, it is still being built, naturally modified over time. It is particularly designed to offer spaces and accommodations incomparable with other boats of the same size: The large and very elegant saloon with the separate dining area, the large opening hard top, the retractable windows in order to create a single whole with the large and very livable external spaces at the stern, the 4 guest cabins, with the luxurious full-width owner's cabin, allow the Princess V78 to ensure excellent hospitality for 8 people on a cruise and 12 people plus the crew during daily outings. The stern acco...
