About this boat

Trogir is a city half an hour away from Split and even closer to the Split airport! This historic little town is the perfect base for your holiday in Croatia. From there on you can navigate to the islands of Brač, Hvar and Korčula as well as visit the coastline of Croatia and see the biggest city on the coast - Split. Depending on when you arrive, this brand new Quicksilver 605 (2025) is perfect for an active holiday which includes swimming, snorkelling, diving and much more. This boat is our favorite all purpose speedboat. It is perfect for all kinds of use, no matter if you plan on renting it for a week to explore the Adriatic, or for a day to go crazy with water sports, the 605 Activ Open will not disappoint...
