About this boat

The archipelago consists of ten small islands scattered throughout the Medulin Bay. The islands are uninhabited and offer a special opportunity for a day stay with the magic of untouched nature. For a full-day stay, we particularly recommend the islands: Ceja, Levan and Bodulaš, where there are gastronomic offers. You can reach all islands with our boat. You should definitely visit Kamenjak. This is a place you shouldn't miss! Even the world-renowned travel guide Lonely Planet ranks Kamenjak among the most remote and beautiful beaches in the world and ranks Kamenjak among the best private spots in the Mediterranean! Swimming and sunbathing on the boat around this protected landscape is truly a wonderful experience...
