About this boat

Our motorboat is 5 meters long. The boat is ideal for up to 6 people. It has a bimini top, swims ladder, and coolbox on request (additional payment). The boat has an outboard engine with 5 HP. From here, you can easily reach the islets just in front of the island of Korčula. Our boat is perfect for one-day trips since we are only 10 minutes away from the islets (Vrnik, Gubavak, Planjak, Badija). Do not be worried about the driving experience, since the navigation is simple and we are here to get you started and show you how everything works. The fuel is included in the price. Feel free to reach out to me via Click&Boat and I'd be happy to help you. See you!
