About this boat

Once an ice-breaking multi-purpose supply vessel, Q (ex MV RAGNAR) was converted between 2017 and 2020 into the highly accoladed ice-breaking explorer yacht she has since become. Originally built in 2012 as SANABORG, she has retained her full ice-breaking functionality for Arctic exploration, and her excellent sea-keeping qualities were proven in her previous life as an offshore supply vessel deployed in some of the world's worst environments. Her conversion at ICON Yachts turned her into the ultimate world-class go-anywhere yacht, fitted with the navigation equipment, machinery, living ambience, tools and toys for discovery voyaging in planet Earth's most remote corners.
