About this boat

Nimbus C11 – offshore commuter with year-round capability Nimbus C11 is a practical, all-season commuter built for efficiency, safety, and real usability at sea. Powered by twin Volvo Penta D4-320 DPI sterndrives (~470 kW total) with only ~60 engine hours, the boat is in near-new condition. The deep-V planing hull delivers stable, confident performance in varied sea conditions, supported by Volvo interceptors, bow thruster, and joystick control. The enclosed wheelhouse with electric glass roof and heating extends the boating season and keeps operations comfortable in all weather. Interior layout is highly functional: Convertible saloon (lounge/dinette) Fully equipped galley Two double cabins Separate head with...
