About this boat

The Tornado 38 is a sporty speedboat with a structure that allows us to face the sea even under the most adverse conditions. It's a legendary model, a true classic in the field of yacht charters. Its style, despite numerous redesigns implemented by its designers, has remained almost unchanged. The outside area includes sunbathing deck, comfortable seating area and a sun awning for shelter during the hottest hours, while the space below deck is set up with a table and a couple of sofas that turn, if necessary, into a double bed. The Tornado ensures fast, but at the same time relaxing transfers thanks to its ultra-quiet engine that does not bear any kind of acoustic nuisance to the guests on board.
