About this boat

The finest addition to the Parker family is finally here – the Parker 790 Explorer. With a single Mercury 300 HP Verado outboard, the boat is a perfect choice for those who are looking for outstanding performances. A completely new and modern two-step hull, integrated engine bracket, and deeper V-shaped bottom provide considerable improvements to comfort and top speeds. The large master cabin with a double berth provides natural light from large windows on both sides. A separate single berth offers extra sleeping space for a guest on board. Additional sleeping space can be offered by converting the dining space into a double berth. Next to the cabin is a commodious heads compartment with a shower and toilet. Th...
