About this boat

A stunning keelboat with a beautiful, classic hull shape. Yngling NED-242 was built by Portier AG in Switzerland. The boat is in good condition; the hull is free of osmosis and rust, and is protected by self-polishing antifouling. We are selling our beloved boat due to a relocation. It is excellent for solo sailing, yet also serves as a delightful cruising boat for the family. Featuring its original deep cockpit and wooden floorboards, it is ideal for cruising, offering sleeping accommodations for two people. It is a sporty vessel equipped with a racing rig (original measurement certificate included). In light winds, the Yngling sails relatively fast—despite the fact that the boat is technically "under-rigged"...
