About this boat

Looking for the ultimate family boat that can do it all? This Avalon Venture Fish Tritoon combines the comfort of a luxury pontoon with the versatility of a fishing boat and the performance of a tritoon. Whether you're cruising Sarasota Bay, relaxing at the sandbar, tubing with the kids, waterfront dining, dolphin watching, island hopping, or fishing the flats, this boat was built for making memories on the water. Powered by a dependable Suzuki 150HP four-stroke, this tritoon offers excellent performance, smooth handling, and enough power for tubing, cruising, and exploring Sarasota's beautiful waterways. The triple-log design delivers a noticeably smoother, drier, and more stable ride than traditional pontoons...
