About this boat

The Princess 64 is one of the best models ever built by Princess Yachts UK. Book this yacht now and let's make waves in in Monaco / Beaulieu! Price is €4850 per day! Our Princess 64 is fully loaded with options. In particular, it has the Seakeeper gyro stabilizer. This makes the boat very stable both at sea and at anchor. Our clients love it. No seasick. Our highly professional crew (captain and stewardess) will do their best to provide an outstanding service. We have a multi-year track record of highly successful charters. For example during the 2023 season, the vessel sailed +2300 nautical miles in charter operations. We pick-up and deposit our clients from San Remo to Saint-Tropez. We do day-charters as well...
